

Kaizen Autosport Car Rental Rules of Road Acknowledgement and Affirmation

These rules are to emphasize safety, respect for others, and adherence to specific driving practices.

1. **Driver Condition:** I am in good physical health to drive safely. I am not pregnant, any heart condition, and I am not claustrophobic. I do not have any disorders, diseases, medications that might affect my physical condition to drive on track. If I experience fatigue or lack of concentration, I will come into the pits as it can lead to mistakes.
2. **Liability Waiver:** I have signed and agree to the waiver of liability, assumption of risk and indemnity agreement.
3. **Rental Agreement and Financial Responsibility for Damages to Car or VIR:** I have signed the rental agreement and understand that I am responsible for the crash damage deductible of (circle one): \$9000 \$15,000 \$25,000. The deductible is payable immediately after a crash occurrence. I acknowledge that I am responsible for any wheel or tire damage caused by spins or aggressive use of the kerbs. This will be assessed within 72 hours of the event and payable immediately upon finding of damage.
4. **HPDE Participation:** As a participant in an HPDE (High-Performance Driver Education) event, I acknowledge that this is not a racing competition. I will maintain a safe distance from other cars (minimum 100 feet) and adhere to the passing rules applicable to my HPDE run group. Racing against other cars is strictly prohibited. My driving will be responsible and controlled, avoiding any actions that may cause stress or discomfort to other drivers.
5. **Respectful Conduct:** All participants are expected to conduct themselves respectfully towards fellow drivers, event staff, officials, and Kaizen Crew. Aggressive behavior, both on and off the track, will not be tolerated.
6. **Reporting Incidents:** After each driving session, I will report to my track support personnel any incidents, including spins, two or four wheel offs, or impacts with aggressive kerbs that could potentially damage the tires or wheels. It is mandatory to pit immediately following any of these occurrences.
7. **Monitoring Car Parameters:** I will immediately bring the car to the pits if water or oil temperature light come on or if I experience brake fade (soft pedal), or extreme loss of grip (tire or suspension failure)
8. **Track Boundary Guidelines:** I will do my best to always stay a minimum of a foot away from the outer edge of the track. This safety margin is crucial to accommodate any driving errors and to maintain car control.
9. **Brake Zone Guidelines:** The brake zones specified by Kaizen for the car I am driving are tested by our professionals to ensure you can successfully make the corner. Exceeding these zones can compromise my safety, the safety of my coach, and that of other drivers on the track. I will follow the braking target area guidelines.
10. **Speed Limits in Pit Lane and Paddock:** A strict speed limit must be adhered to in the pit lane of **35 mph** and in the paddock of **10 mph**. This is a requirement for the safety of all participants and staff.
11. **Alcohol and Drug Policy:** The consumption of alcohol or the use of drugs that can impair driving ability is strictly prohibited before and during the event.
12. **Helmet and Safety Gear:** All drivers must wear a properly always fitted helmet and other required safety gear while on the track. The gear must meet the safety standards set by the event organizers.
13. **Marketing Permission:** I agree to grant permission to Kaizen Autosport irrevocable and unrestricted right to use the photos, videos, and audio taken of me for purposes of publication, promotion, or advertising in any manner or medium.
